Description

Requirements:

1. The "Name" field is 64 characters long.
2. In the "Name" field, it is allowed to enter Latin and Cyrillic letters (a-z, A-Z, a-z, A-Z), as well as a space (" "), and a hyphen ("-"), other characters are prohibited.
3. Spaces and hyphens are not allowed at the beginning and at the end of the name. When outputting, these spaces and hyphens must be removed.
4. A space or hyphen is allowed in the middle of the name if it is followed by a capital letter, otherwise all spaces or hyphens must be removed in the output. If the capital letter condition is met, but more than one space or hyphen is entered in a row, then only one space or hyphen is left in the output.
5. An empty "Name" field is not allowed. When you try to display a greeting with an empty "Name" field, the "Warning" window is displayed.
